Maksym Kotenko

Senior Software Engineer – Slotegrator
Ukraine

Summary

Senior Software Engineer with 8+ years in enterprise development, specializing in .NET and Azure. At Slotegrator, I design and develop scalable microservices and authentication systems using C#, .NET Core, and Azure. Proficient in Domain-Driven Design, Clean Architecture, and modern development tools. Passionate about leveraging technology to build robust, high-performance solutions and continuously learning to drive innovation.
